

"Real, Practical, Rock-Solid Hypnosis Training from a Certified Hypnosis Instructor"

Hypnotherapy 101 is a multi-media learning extravaganza - specifically designed for home study, so you get the most "bang" for your hypnosis buck.

This is not some goofy ebook. This is not some collection of worn-out scripts that have been floating around the internet for years. This is not some video shot at a seminar - and not designed for home study. This is a real, honest-to-goodness, easy-to-follow, step-by-step hypnosis program, specially designed for home study.

Including...

- Video demonstrations of amazing inductions
- Audio explanations and demonstrations of extraordinary secrets of hypnosis
- Workbooks with theories and techniques literally spelled out for you
- Step-by-step, easy to follow skill-building exercises

Wouldn't you like to learn???

- How to hypnotize - with some of the most powerful inductions on the planet
- How to construct compelling suggestions for maximum effectiveness
- How to create powerful, long-lasting post-hypnotic suggestions
- How to talk about hypnosis so that hypnotizing people is so much easier

AND... If you plan to become certified as a Hypnotherapist, this program will prepare you for live training and certification!
