

The Power of Healing is Within You...

FAQ's

Q: Why get certified as a ThetaHealing practitioner?

A: Certification teaches you how to heal yourself and how to help others make changes in their lives.

Q: I have read the ThetaHealing textbooks. Do I still need to take a class?

A: Yes! While you can learn the basic techniques from the books, your energy isn't attuned to the work. By attending a class, the instructor can ensure you are reaching the right state and getting accurate information.

Q: Will I learn how to conduct readings?

A: Yes! You'll learn to do angel readings, future readings, and how to connect to animals.
